Havering. The SFAET will expand over the next few years to incorporate both local Secondary and Primary Schools and currently includes 3 Secondary Schools.

We are an accredited 'Thinking School' and have very close links with the Cognitive Education Development Unit at the University of Exeter. Metacognition and the development of thinking skills is at the heart of our teaching and learning in the school as we believe it plays an important part in developing resilient and independent learners.

We also have very strong links with the Havering Teacher Training Programme, we are a senior partner in the Empower Teaching Alliance and we are recognised as a Leading Edge School by the SSAT. The school has also been accredited with All Together (Anti Bullying), Place2Be (Student Mental Health), SEND Exceptional Outcomes Award, The Quality in Careers Standards, Healthy Schools Gold Award and Gold Travel Ambassadors Award.

We are a growing community Trust with inclusion at the heart of our ethos and require leaders who will bring this vision to life.

These are exciting times for Redden Court School with so much change and challenge in the future.

Perceptions play a major part in your decision when choosing the right school for you to lead and build a successful career. We strongly urge you to come and visit the school prior to application.

Google Education

Google Education is an exciting and innovative way of learning, introducing easy tools to engage students whenever, wherever on any device!

In summer 2012, Redden Court School adopted G Suite for Education, the free web-based communication and collaboration suite available to education establishments.

With products including Gmail, Google Calendar, Google Drive, Google Sites and Google Classroom, Redden Court School recognised the potential it would bring to classroom learning, knowledge sharing across the academies, improvements in administrative efficiency and providing access from home for all.

This enables all our students and staff to have access to the most up-to-date technology. Our academies have also rolled out many class sets of Google Chromebooks, affordable browser-based laptops that provide quick, simple access to the web!

Continued Professional Development

Redden Court School believes that all staff should be involved in a continuing process of improvement. The school is committed to fostering a positive ethos of continuous learning. Continuing Professional Development (CPD) is the means by which the school is able to motivate and develop its staff community. This development takes place at a number of levels: individual, team, whole school and through wider networks. CPD supports and reflects the ethos, values and vision of the school.

All forms of professional development are based on the following principles:

- all staff should be encouraged to develop their knowledge, skills, understanding and attitudes to enhance their professional work;
- all staff will have regular opportunities to discuss their development needs and professional aspirations through our appraisal process;
- all staff have a responsibility to participate in school focused CPD and personal career development.

Our annual CPD programme consists of a number of compulsory Twilight training sessions, these are targeted around Safeguarding and Teaching and Learning Priorities. It is expected that staff join a Focus Group which collaborates on action research based on one of our whole school priorities. In addition, all teachers should actively participate in Faculty training led by team leaders.

To supplement our compulsory provision, we offer a range of additional, voluntary CPD approaches for all staff. These include:

- attendance at a course or conference;
- in-school training using the expertise available within the school, e.g. team teaching, coaching/mentoring, skills in classroom observation, sharing existing expertise;
- school-based work through accessing an external consultant/adviser or relevant expert such as an advanced skills/SLE or lead teacher;
- school visit to observe or participate in good and successful practice, e.g. visit to a school or subject area with similar circumstances, a teaching school;
- secondments, e.g. with another teacher, school;
- shadowing opportunities to observe experienced colleagues in another setting;
- opportunities to participate in award bearing work from higher education or other providers such as the National College for the Leadership of Schools and Children's Centre e.g. NPQML and NPQH;
- research opportunities;
- distance learning, e.g. relevant resources, training videos, reflection, simulation;
- practical experience, e.g. national test or exam marking experience, opportunities to present a paper, contribute to a training programme;
- job enrichment/enlargement, e.g. a higher level of responsibility; front lining working in someone else's job, job sharing, acting roles, job rotation, shadowing.

Where possible, we try to offer a bespoke training programme for all our employees

Staff Stories

**Mr Carrington,
Deputy Head**

Redden Court recognises and rewards hard work, enthusiasm and commitment to success. I have been given the opportunity to progress from an NQT to Head of Faculty, SLT and now my current role as Deputy Headteacher within 10 years. I have been encouraged to introduce new technology to the school and work on a variety of interesting projects. The students and staff are a pleasure to work with and our team ethic is impacting positively on the progress of our students. Our reputation has been transformed in the past decade and the future is bright as we have vibrant leadership in place at all levels, quality teachers and a fantastic support network of staff who are dedicated to the needs of all students. We work closely with the other schools in our Multi-Academy Trust and continue to expand our own vision and ethos with plenty of opportunities for career development.

**Miss Todd, SFAET
Maths Lead
Practitioner**

Redden Court is a wonderful school and has supported me over the years with each stage of my professional progression. I started my training here as GTP in 2007, became leader of the house system, second in Maths and then Head of Faculty in January 2014. More recently, I have gained Lead Practitioner accreditation and when I returned to work after having my son, I was promoted to Lead Practitioner for Maths across the Success for All Educational Trust. I have been given huge opportunities and been supported each step of the way.

Redden Court is a wonderful teaching environment, with excellent resources and students who make you love the job! If you are a good teacher, with great ambition and enthusiasm you will be supported and encouraged to go on and achieve fantastic things in your career at Redden Court.

**Miss Morris, PA to
EHT and HT**

When I joined RCS over 11 years ago, I was job sharing the role of PA to the Headteacher. Now I work full time as the PA to the Executive Headteacher of the Success for All Educational Trust and the Headteacher at Redden Court School.

I have always felt supported and empowered to excel in my performance and development and am considered a valuable member of the Trust and Redden Court School team.

**Mr Pendred, Head
of Technology
Faculty**

I arrived at Redden Court School as an NQT, and at the time I never thought I would progress as quickly as I have. This is a school that really recognise and reward hard-work. From the very start I had the responsibility of being a subject leader in Product Design, then after only two years I progressed to Head of Department in Design and Technology, and in my fifth year at the school I was made Head of the Technology Faculty. I have had a key involvement in much of the school signage and have had opportunities to run school trips and lead a STEM club. This is an ambitious and supportive school full of great staff, and in my opinion there is no better place to pursue a career in teaching.

**Mr Barrett,
Business Manager**

I joined Redden Court in 2012 shortly after the school converted to Academy Status in January 2012. From that time I have learned something new every day. Little did I know the range of experiences I would have within the school. I have enjoyed every single day I have worked in the school and am extremely proud of the outcomes the students achieve and the part that I play in that. We are about to encounter an exciting time at the school with the formation of the Multi Academy Trust and building works through the Priority Schools Building Programme that will enhance the quality of provision for our students.

Redden Court is a school where I want to come to work with enthusiasm each day and I am empowered by an amazing leadership team.

**Mr Sims, Learning
for Behaviour
Mentor**

I joined Redden Court School as a Learning Facilitator in 2016. I was immediately impressed (and inspired) by the dedication of the staff and the attitudes the students had towards learning. It is clearly evident that the school acknowledges the all round importance of the students wellbeing. I quickly became involved in the Futsal team and have managed them in competitions at the Copperbox in London. I also co-founded the Sports for Confidence team which has participated in various tournaments and competitions around the Greater London area. Redden Court School has afforded me the opportunity to advance in my career. As a result of that I have become the schools Learning for Behaviour Mentor. It is a privilege to be part of a team that truly reflects its ethos of "Success for All".
